Sharon Marie (Teeslink) Foxley was born on December 1, 1947 to Emil and Esther (Jurczewsky) Teeslink in Platte, SD. She was the fifth of 13 children, this taught her to share and she was really good at it. She graduated from Platte High School in 1966. Sharon was united in marriage to Randy Foxley on August 31, 1966 in Platte, SD. To this union, three children were born: Jodi, Joel and Steve.

Before establishing their home north of Platte, they had to scoop oats from the living room floor. She turned the abandoned house into a home for her family.

Although Sharon didn't have farming experience prior to her marriage, she taught herself and her family good husbandry practices. She was an avid reader and always had articles and pictures cut out to share.

Sharon took pride in making her home a joyful place for her children, grandchildren and great grandchildren. Her most precious memories included family visits, reunions, extended visits from her grandchildren and the frequent visits from her great grandchildren. Her home cooked meals were enjoyed by all. Regardless of what she made, it was probably the best you'd ever tasted. She took the time to make sure it looked as good as it tasted. Presentation was just as important! There was nothing better than being surprised with Sharon's special gifts or food drop-offs.

Sharon had an unwavering love and loyalty to her entire family. She was especially protective and watchful of the little ones.
